It is with great pleasure that I am writing to endorse MRSOE! (The Most RACES Show on Earth!). I am formerly the General Manager of the 710 seat Panasonic Theatre in Toronto, Ontario, and have had the opportunity to work with the MRSOE! show for the past 7 years.

My first interaction with MRSOE! was in 2005, where they performed to a sold-out audience. The cast of comedians showcased the funniest multicultural comedians who were on the cusp or have already achieved mainstream success. Each year that MRSOE! performed at my venue, they have shown the ability to build a loyal audience that continues to grow year after year. What is unique about MRSOE! is that it is geared towards all ethnicities. Never before have I witnessed the ability of a show to bring many different cultures together and still make everyone laugh. I have been very impressed with how MRSOE! has been able to capture an audience and provide a solid product year after year. The hilarity and longevity of MRSOE! is a testament to its creator, Neil Bansil, who continually seeks out the best ethnic comedic talent in North America and brings them together on one stage. I am confident that whomever Neil puts on a MRSOE! show will most definitely be worth the price of admission.

Panasonic Theatre

If you have the opportunity to book MRSOE! for your venue, I would highly recommend it. This show is consistently funny and I always look forward to working with them when they tour in Toronto.

Sincerely,
